

# T ZERO 8 Task

Introducing the T Zero 8 multifunction task chair.

Featuring cable-activated fingertip controls that are easily identifiable for simple adjustment. The core design of the backrest provides optimum support to the lumbar region whilst encouraging healthy sitting habits to maintain overall spinal support. The continuous flowing movement of the Synchronised mechanism with adjustable tension, allows the user to recline with balance between working and relaxed positions whilst maintaining good ergonomic posture.

## Features

Cable-driven Ergonomic adjusting controls for:

- Seat depth
- Gaslift seat height
- Synchro Action lock & release

Synchronised 'side-winding' tension control

Mesh front combining partial fabric wrapped outer backrest

Height adjustable, flexible lumbar support

3D Armrests: height, depth & angle adjust

High density moulded foam seat

ANSI/BIFMA X5.1-2017 Certified

10 Year Warranty
