

VX7 Task

Created by renowned German designer Peter Horn and his team, VX7 is the perfect marriage of great ergonomic function and comfort with a high degree of adjustability. Moulded seat foam and polyurethane mesh offer delicate softness, whilst the synchronous movement of the class leading Donati Mechanism contribute to a package that is functional and stunning in the same space.

Features

- Donati synchro mech with 'side-winding' tension control
- 'Seat Slide' feature allowing seat depth adjustment
- Height adjustable lumbar system
- 4D Armrests: height, depth, width and angle adjust
- High density moulded foam seat
- Polished alloy base standard
- Premium Fire Retardant Mesh
- ANSI/BIFMA X5.1-2011 Certified
- Weight rated to 135KG

Options

- Headrest
- White frame
